

WIND GENERATOR WORK SESSION
MAY 23,3006

7:30 PM Meeting called to order

Roll Call: Fuehring, Wiegand, Lefler, Whitney, Marciniak, Kolenda, Wilson, Terryn, Whelpley

A Conflict of Interest was brought forward in regards to Carl Fuehring and possibly being in negotiations with wind turbine developers. All members of the board felt there was no conflict of interest as negotiations with the developers had ceased.

Review of the Proposed Wind Powered Generator Amendment. P.C. members and members of the audience made more suggestions and alterations. Most were grammatical and language changes. It was decided that turbine consent documents be on file at the Register of Deeds. It was decided that all guy wires must be fenced or be wrapped for protection and the commercial turbines permitted decibel was raised back to 55.

The Public Hearing for the Wind Generator Ordinance was set for Wednesday June 21st at 7:30 PM.

Meeting adjourned at 8:47 PM
