*An independent business
licensed to serve you by
ServiceMaster Clean*

On behalf of our entire ServiceMaster family, we thank you and appreciate you all! Without your sponsorships and donations, to our 2nd Annual Golf “FORE” Kids golf outing at El Dorado Golf Course, we would not have been able to raise and donate over \$5,000 for Ingham, Eaton, and Clinton Counties, Department of Human Services. You, golfers/sponsors, were able to assist foster families with utilities, cribs, car/booster seats, vehicle insurance, toiletries, along with large items for when a sibling group comes into care, and emergency kits to the fostering parents.

When Jesce and Desireé Howard adopted children out of the Michigan foster care system, they were struck by how little the kids came with. Toothbrushes, pillows, hair brushes, and clothes are some of the everyday necessities their 4 children lacked when they were adopted. Foster parents are required to purchase items that often add up to hefty expenses. This ignited a passion within Jesce and Desireé, they wanted to help out other foster families. This served as the backbone of the idea to start an annual golf outing, supporting foster children and parents.

One of the advantages of the ServiceMaster outing, is that the money and supplies raised go straight to the hands of families, not to organizations. There are over 700 kids in foster care in Ingham County alone! Having resources like the “Golf FORE Kids” charity will make it easier for families to adopt.

We look forward to our 3rd Annual Golf “FORE” Kids outing in 2016, hope to see all you there!!

Jesce Howard
President
