

THANK YOU

Dear Kyle,

Thank you for the amazing time at STG! I learned way more than I imagined in one semester. We had so many great times together this past fall. They will for sure never be forgotten. I appreciate all the effort you put towards my success, and the letters of recommendation. You truly had a tremendous impact on me, and my career moving forward. Thank you again for everything you have done. Talk to you soon!

Sincerely,

Ben
