-Due to the additional work load and man hours for the November election there was a short fall in the Election Salary & Wages category, of the budget. In order to maintain a balanced budget we will need to move funds from other categories.

TRUSTEE: Z. Haralson

-Nothing at this time.

TRUSTEE: J. Miller

-Residents have donated pictures and other items to be shared with the public.

-Will be checking on the date for the Road Commission meeting.

ASSESSOR:

-Board of Revue went well.

SUPERVISOR:

The Supervisor was absent, however request J. Miller conduct the meeting and present the following items for discussion:

-The Supervisor attended the Fire Board meeting, where Ambulance or EMS services were discussed.

-Would like the Board to consider moving the monthly Board meeting time up and hour to 6:30 pm. If the board meeting is at 6:30 pm the Clerk will not be able to attend the meetings regularly, therefore someone would need to take over the minutes of the meeting. It may be possible for the Clerk to be there by 7:00 pm, however, more than likely she would be arriving at 7:00 or a little after.

-A motion to create a plan for renovating the meeting room and immediately remove the old carpet. The carpet is musty and needs to be removed ASAP. There is a $\frac{3}{4}$ inch plywood base underneath the carpet which will suffice until a new floor can be installed. The township board should create an entire plan for renovation in the next budget. Discussion in regard to checking the foundation, before anything can be determined, due to possible damage created by animals living under the building. Also, more than likely the existing rubber back carpet was installed with a black emulsion adhesive which can leave a tar like residue that could track on to the new floor coverings.

-A motion to increase the annual road budget by \$10,000.00 for the purposes of additional improvements. Ahead of the January Road Commission meetings it would be helpful to indicate to the RC that Assyria Township would like to approve of two small paving projects like the end of Huff and M-66 where the asphalt needs to be protected with a chip and seal.

-A motion to have a special budget meeting in the middle or end of January. The purpose would be to hold a budget meeting that we would all be prepared to discuss priorities and issues important to the citizens for the next year. The Board discussed having a special meeting and felt it would be best to address the budget at the next regular meeting.
