## VETERANS EXEMPTION PROCESS

Township Veterans,

You must apply each year for the Veterans Exemption. Below is the procedure to follow. An Exemption **cannot** be granted by the Township Board of Review without any of the required information.

**YES**, you do qualify for the exemption if you are deemed 100% disabled by the Veterans Administration. However, you **MUST** apply for the exemption with a completed Affidavit (form 5107). Without the Affidavit & VA letter, the exemption **cannot** be acted on by the Township Board of Review.

- a) Please fill out the Affidavit (Form 5107) completely.
- b) Please attach Veteran Administration letter of benefits with the Affidavit.
- c) Please return both to the Township Assessor by:
  - 1) **MARCH 1st**, The preferred date to ensure that no billing will be sent to the Veteran.
  - 2) JULY 1st
  - 3) DECEMBER 1st

If any of these dates are missed, there will be no exemption granted for that year.
