

NOTTAWA TOWNSHIP
ISABELLA COUNTY, MICHIGAN

P.O. BOX 189
WEIDMAN, MI 48893

January 17, 2022

Dear Contractors,

We are approaching completion of the Beal City sewer system and soon it will be time for residents to hook up to the system. Contractors who wish to offer their services to residents for hook up must provide the township with a copy of any licenses, proof of insurance, a contractor's form (see enclosed) and a \$25 fee. The township will publish a list of contractors who have complied with these requirements so that residents know who they can call for services.

A meeting will be held at the Nottawa Township Hall (3024 W. Weidman Rd., Weidman, MI 48893) on Monday, February 7, 2022, at 2:30 p.m. The Clerk, Supervisor and Project Engineer will be present to process paperwork and explain what will be expected of contractors. The Technical Standards for Design and Construction for the Sanitary Sewer for Nottawa Township can be found at the township website, www.nottawatownship.com, under the sewer project tab.

If you have any question I can be reached at (989) 506-6344 or nottawatwpclerk@hotmail.com.

Sincerely,

Heather A. Curtiss
Nottawa Township Clerk
